Bigwood

FOCUSON

“Bigwood: where strength meets sculptural beauty in motion.”

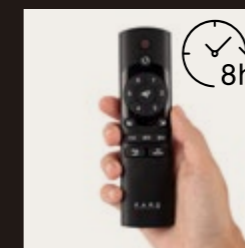

Bigwood is our commitment to a sustainable and efficient solution for large contract spaces. Its lines subtly converge toward the motor, creating an iconic image that sets it apart from other similar fans. Featuring robust FSC-certified wooden blades, a low-consumption DC motor, and a strong visual presence, Bigwood is set to become a key element in projects where functionality and style must go hand in hand. Furthermore, its noble materials ensure that, in addition to being efficient, it is also a piece of high aesthetic value.

Bigwood es nuestra apuesta por una solución sostenible y eficiente para grandes espacios contract. Sus líneas convergen de forma sutil hacia el motor, creando una imagen icónica que lo distingue de otros ventiladores similares.

Con palas robustas de madera certificada FSC, un motor DC de bajo consumo y una gran presencia, Bigwood se convierte en una pieza clave para proyectos donde la funcionalidad y el estilo deben ir de la mano. Además, sus materiales nobles aseguran que, además de eficiente, sea una pieza de gran valor estético.
