

FOCUSON

Leo by Estudi Ribaudí

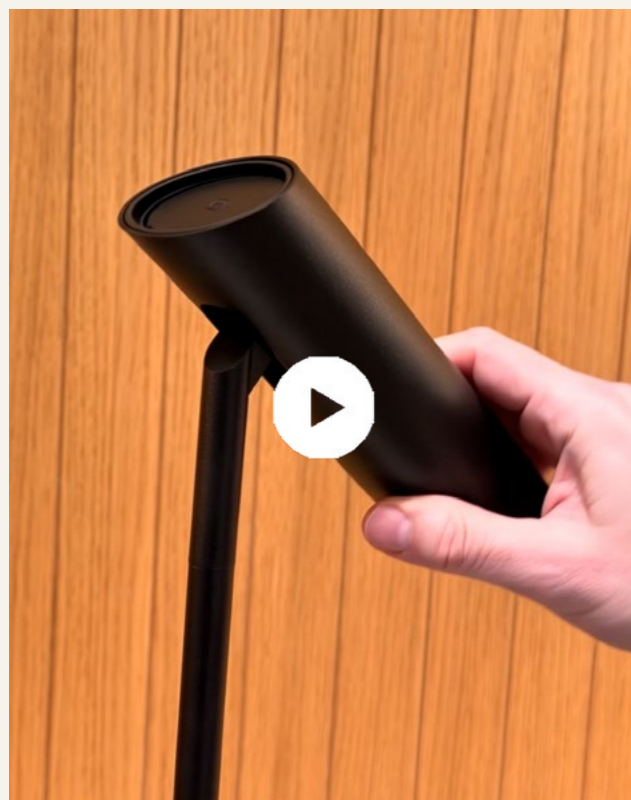

LEO explores the beauty of simplicity through clean lines and precise lighting. A collection designed to blend subtly into contemporary architecture.

LEO explora la belleza de la simplicidad a través de líneas depuradas y una iluminación precisa. Una colección concebida para integrarse con sutileza en la arquitectura contemporánea.

With a serene and timeless aesthetic, the LEO family turns light into an elegant and discreet gesture, bringing character without overpowering the space.

Con una estética serena y atemporal, la familia LEO transforma la luz en un gesto elegante y discreto, capaz de aportar carácter sin imponerse al espacio.

Its adjustable design allows light to be directed with precision, creating warm and balanced scenes where functionality and aesthetic sensitivity coexist in harmony.

Su diseño orientable permite dirigir la luz con precisión, creando escenas cálidas y equilibradas donde funcionalidad y sensibilidad estética conviven en armonía.

Available in different typologies, LEO brings visual coherence and versatility to residential and contract projects, naturally adapting to different atmospheres and needs.

Disponible en diferentes tipologías, LEO aporta coherencia visual y versatilidad a proyectos residenciales y contract, adaptándose con naturalidad a distintas atmósferas y necesidades.

designed by Estudi Ribaudí

Leo is a collection of luminaires designed to meet the needs of contemporary architecture. With an extremely compact and functional design, it offers versatile solutions that adapt perfectly to any environment and purpose.

Equipped with 2700K COB LED technology, Leo provides warm, efficient, and perfectly balanced lighting, ideal for specific tasks such as reading or for creating welcoming atmospheres. With a power output of 3.5W and 299 lm, it combines low energy consumption with high-quality light. It offers precise light direction thanks to 355° rotation and a 45° adjustable head.

The Leo family includes table, floor, wall, and track projector models, offering a complete range of possibilities for accent or ambient lighting.

Leo es una colección de luminarias diseñadas para satisfacer las necesidades de la arquitectura contemporánea. Con un diseño extremadamente compacto y funcional, ofrece soluciones versátiles que se adaptan perfectamente a cualquier entorno y propósito. Equipado con tecnología LED COB de 2700K, Leo proporciona una iluminación cálida, eficiente y perfectamente equilibrada, ideal para tareas específicas como la lectura o para crear ambientes acogedores. Con una potencia de 3,5W y 299 lm, combina un bajo consumo energético con una luz de alta calidad. Ofrece orientación precisa de la luz gracias a una rotación de 355° y ajuste de 45° en el cabeza. La familia Leo incluye modelos de sobremesa, pie, aplique y proyector de carril, ofreciendo una gama completa de posibilidades para iluminación puntual o ambiental.

LEO: Minimal Design, Maximum Visual Comfort

LEO is a **minimalist table lamp** that combines **lighting precision, energy efficiency, and visual comfort**. Its adjustable optic directs light exactly where it is needed, making it an ideal solution for reading and task-oriented work.

LEO es una luminaria de sobremesa de **diseño minimalista** que combina **precisión lumínica, eficiencia energética y confort visual**. Su óptica orientable dirige la luz exactamente donde se necesita, ofreciendo una solución ideal para lectura y trabajo.
