FOCUSON

“A collection that blends the purity of geometry with the elegance of its details. A sophistication that adapts to any space.”

*designed by Faro Lab*

A collection that combines the purity of geometry with the elegance of refined details. A touch of sophistication that fits right into any space.

Thanks to its adjustable lampshade and height regulation, it opens up a wide range of lighting effects, making it a truly versatile collection.

Matilda conveys a sense of calm and elegance through its monochrome, understated finish, which makes it a sophisticated design that stands the test of time.

Una colección que fusiona la pureza de la geometría con la elegancia de sus detalles. Una sofisticación que se adapta a cualquier espacio.

Su sistema de pantalla orientable y su regulación en altura ofrece gran variedad de efectos de luz, convirtiéndola en una colección multifuncional.

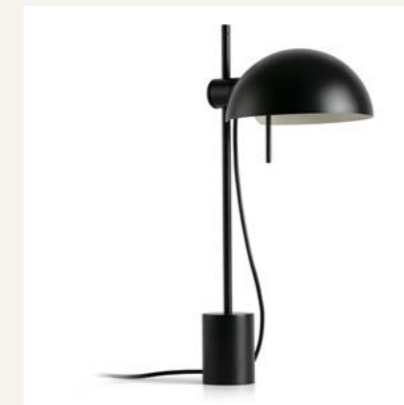

Matilda evoca calma y elegancia gracias a su acabado monocolor y sin estridencias. Una colección pensada para perdurar en el tiempo más allá de las tendencias.
