

A modern hotel lobby interior featuring a large, multi-level wooden shelving unit with integrated lighting. The shelves hold various decorative items, including a large fossil, a lamp, and vases. In the foreground, there are low wooden benches with cushions and small round tables. The background shows a staircase and large glass windows reflecting the exterior. The text "FARO PROJECTS" is overlaid in large white letters, with "Hotels" in smaller white letters below it.

FARO PROJECTS

Hotels

“Faro Barcelona exists to contribute to the wellbeing and happiness of people through design and the relationship we establish with the objects that surround us in our daily lives. We believe in honest and accessible design. Design for everyone.”

A close-up, low-angle shot of a large, orange industrial robotic arm. The arm is positioned diagonally across the frame, with its joints and mechanical components visible. The background is a blurred blue and white, suggesting an industrial setting. The lighting is warm, highlighting the metallic surfaces of the robot.
