designed by Nahtrang

The SAIGON outdoor lighting collection, designed by Nahtrang, stands out for its simplicity and pure forms. This family of lamps includes various models that cater to different needs and styles of exterior decoration.

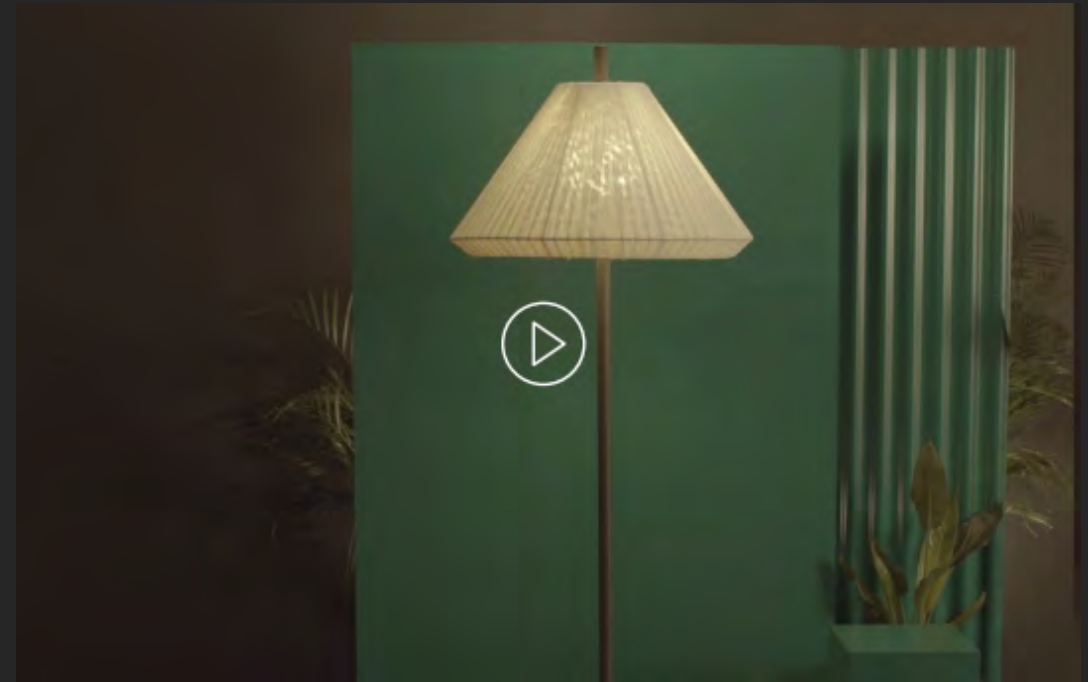

The collection reflects the passion and dedication of Nahtrang, whose name stems from an adventure that began with emotion and respect around 2003, inspired by the city of Vietnam, which continues to be a topic of curiosity and conversation among their clients. The emotion that gave rise to their name is conveyed in every project, resulting in products that combine functionality and exceptional design.

Furthermore, the UV resistance of the materials ensures that even under the strongest sun, the lamps will maintain their splendor and functionality, guaranteeing their durability and beauty over time.
